March

Regional Tournament Benton Harbor vs. Kazoo We lost.

The scientific guys tried to tell us this is ethanal, but we practical kids know it's just good old mountain dew!

March 8: The vocal department turned out another successful production—"The Red Mill."

April

April 16: Benton Harbor's Queen and court were in the spotlight during the month of April.

April 21: Benton Harbor Jr. Girls' Rifle Club journeyed to Fort Wayne, Ind., to compete in the N.R.A. rifle match.

Spring golf always has its slices and hooks and the ball is always attracted to the nearest waterhole.

April 27:
"The Remarkable Incident at Carson Corners" showed the tremendous acting ability of the high school's students.

May

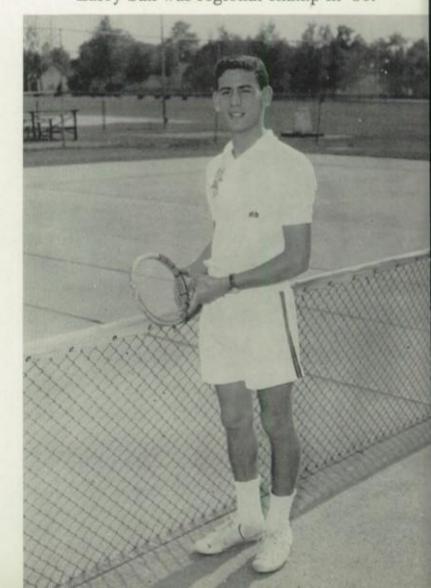

Again this year the B.H.H.S. Band puts on a colorful display at the Blossom Parade.

May 7: The halls after Mr. Semler's announcement "... a few moments ago we received a report from the Sheriff's Department that explosives had been placed in senior high school. We believe that the chances are overwhelming that this is the work of a crackpot who merely wants to cause undesirable publicity and trouble. On the other hand we feel that we cannot take chances of any possibility of injury to anyone. School, therefore, is dismissed for the day. All students and faculty are instructed to leave the building at once but in an orderly manner."

Larry Sax was regional champ in '56.

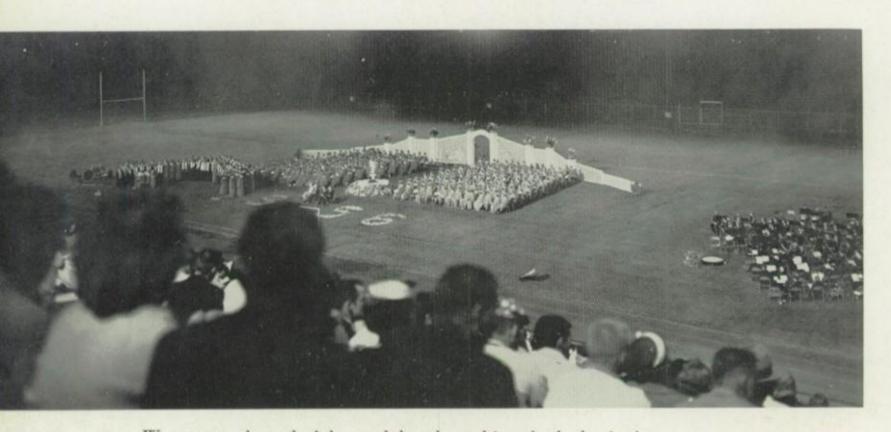

What kind of stuff are you kids mixing up—foolishness.

June

June 1: Cantata—Beautiful voices blend together under the direction of Miss Archer.

We come to the end of the road, but the end is only the beginning.

June 17: Summerschool Registration for an eight-week course.

Coach Johnson points out sliding technique, which Coach Burns demonstrates. Watching are: E. Dewight, C. Williams, K. Leonard, S. Murkey, W. Kelly, D. Dunbar, T. Belski, R. Mahler.

1956 Baseball

Coach Johnson and Coach Burns were quite proud of their record of nine wins and five losses, considering the youth and lack of experience plaguing the team before the season got under way; and with a squad that consisted of three freshmen, six sophomores, five juniors, and only five seniors, they had a right to be.

One of the reasons for the unexpected good season was the exceptional improvement in the hitting department.

Tom Garland, Claude Williams, and Pete Rhodes accounted for a large percentage of the Tigers' success with Tom Garland leading the team in homers with three, in hits with 17, and in batting average with seventeen hits in forty-three times at bat for a .395 average.

Pete Rhodes stops Michigan City from tallying another run.

Bruce Conybeare steals home, with Tom Garland, at bat, while the Michigan City catcher looks on.

One more for Benton Harbor as Garland steals home.

Tony Megna produces that added stretch for the out.

Claude Williams came in second in home runs with two, but each of the hits were over 400 feet (even Mickey Mantle would have to grunt to do this). Pete Rhodes, who supplied the remaining power in the offensive punch, had fifteen hits in 44 times at bat for a batting average of .341.

Sam Watson was the big gun on the pitching staff and ended up with a record of five wins and three losses. Sam's record is actually better than it looks, because he was used against most of Benton Harbor's toughest opponents. Nevertheless, Sam ended up with a total of 55 strikeouts and also came quite close to pitching a no-hit, no-run game.

Other Tiger pitchers were Claude Williams with a 2 and 0 record, Pete Rhodes with a 1 and 1 record, and Eldon DeWitt, who also had a 1 and 1 record.

Some of the returning players who have had some experience last year are: Tony Belski, Tom Garland, Bob Mahler, Duane Dunbar, Sam Watson, Eldon DeWitt, Bill Umphrey, Tony Megna, and Robert Jorgenson.

The double play is on as Jorgensen tries for two.

Coach Johnson and Sam Watson, pitching ace, smile at the results of this year's record.

Conybeare, ready, aim, fire!

Bill Umphrey stands like a statue daring a bull to charge him.

Traffic seems to be getting heavy as Conybeare is stopped by Carmichael.

Hey, D. Young, which way is up?

With a long stretch over the pole, L. Goff goes over.

1956 Track

The tracksters faced five dual meet foes and bowed to four of them. The two victories over Dowagiac and Holland were upsets over highly rated teams. In the triangular meets with Holland and Muskegon Heights, and Muskegon and Muskegon Heights, the Tigers placed second and third respectively. They were also a surprised second in the one hundred and two hundred twenty yard dashes in the regional meet to qualify for state. The Tigers continued their domination over state rivals with Leroy Goff placing first in the pole vault at 11' 6" without much trouble.

What Harbor lacked in all-around brilliance, it made up with the phenomenal performance of its star Don Marler. Don, only a junior, turned in thirteen firsts throughout the season. At State he ran one hundred yards in 10.1 seconds to place sixth.

Dan Young did pretty good in tying for fifth in the high jumps at the regionals. Ken Harper pulled in seventh in the one mile run. Jim Reynolds did his best to place fifth in shot put. Oliver Edwards was also a steady scorer.

The tracksters were coached by Mr. J. Rogers and Mr. R. Hynd.

J. Reynolds goes flying through the air with the greatest of ease.

Are you coming or are you going, D. Marler?

D. Kesler, as followed by B. Finch, makes that extra effort as he crosses the finish line.

A. Williams passes to D. Mitchel as the opponents pull up the rear in the 880-yard relay.

L. Sax demonstrates the form that took him into the state finals.

G. Musser has the record of nine wins against only one defeat.

Benton Harbor net men, coached by Mr. Bridgham, ended the season above a 600 mark in percentages with six victories and four defeats.

Dowagiac offered little resistance as the Tigers whitewashed them 7-0 for their first victory of the season. Continuing their march, Harbor conquered the Niles squad 6-1 with Larry Sax still undefeated. Their second meet with Niles left little for spectators to desire as the Tigers finally pulled away to win again 6-1.

For their fourth victory, Harbor assured itself of the best record in four years by again blanking Dowagiac. Only 5 or 6 of the matches were completed before rain came. St. Joseph, ancient Tiger foes, finally fell victim to the Harbor squad, 4-3, in the closest match between the two schools in several years.

Pat Ashby, number one singles, prepares to leave for the courts.

1956 Girls' Tennis

The girls' tennis team, coached by Miss Vanderbeck, had a successful year in 1956 with four out of five winnings. Niles beat us once, then for the first time in three years we whitewashed them when they came down here. In the other three games, we beat St. Joseph with considerable ease. Pat Ashby and Mary Forestieri have been undefeated in singles, and Sharon Boetcher has lost only two matches in singles and doubles in two years.

1956 Golf

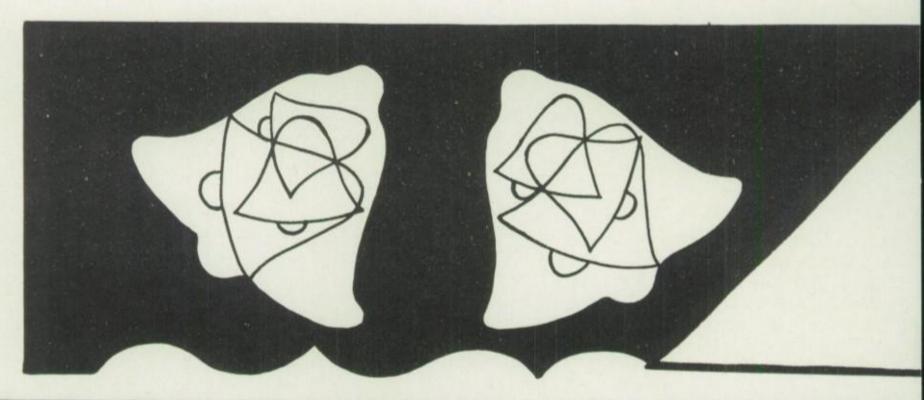

Fielding a team of average strength and better than average depth, the Benton Harbor golf team "sliced" up a record of five wins, seven losses, and one tie. Don Virkus usually played first man and was followed by C. Rubin, D. Parks, W. Preston, B. Erikson, and J. Skelton somewhat in that order.

In the eight school regional class A match held at Battle Creek, Benton Harbor placed a strong fifth, but lacked the needed points of one good showing. Nevertheless, considering the youth of the squad, there is no reason for complaint, and we have none.

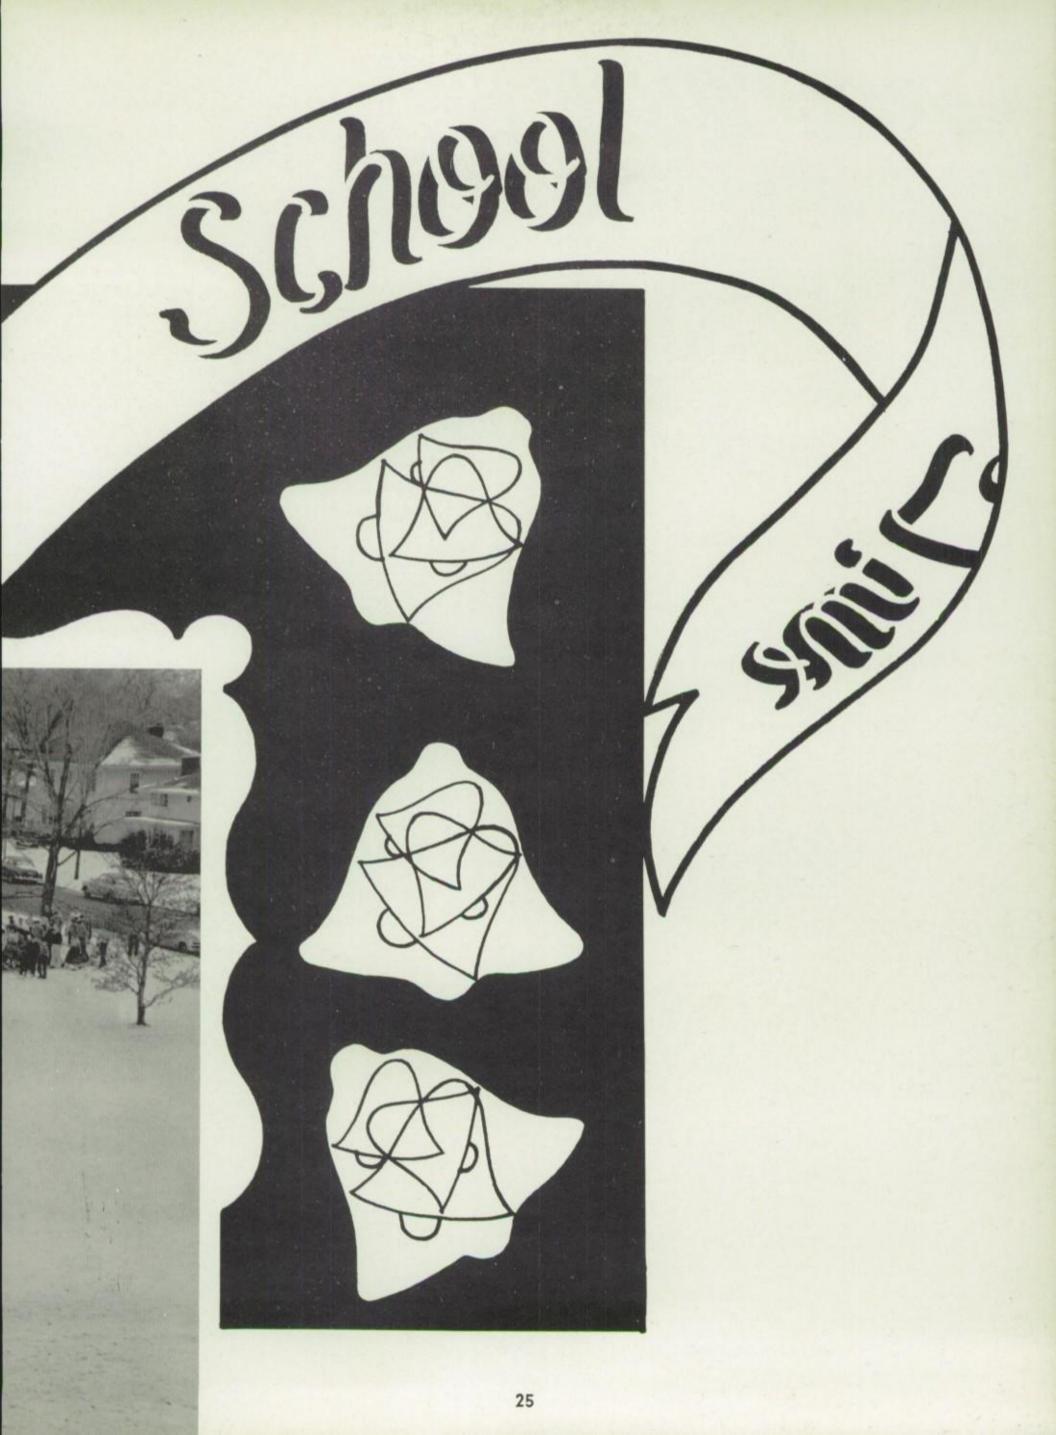

J. Briney shows off for Coach Learn, R. Wheeler, J. Stohrer, A. Filstrup, and R. Rocks. We bet he missed it.

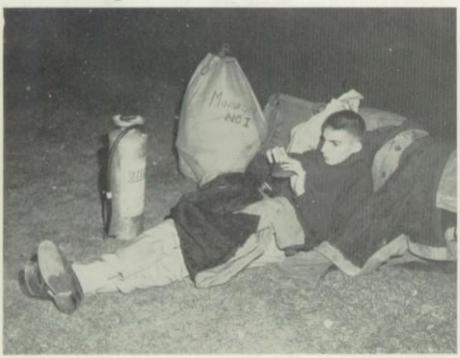

T. Warren, R. Dryden, and R. Cayo do a par job of digging ditches. We think their shovels are too small.

Student Council

The Student Council consists of twenty members—seventeen aldermen and three officers who stage a lively battle each year for their positions. Each class is represented on the council, but the three officers, Mayor, Chief-of-Police, and Clerk must be seniors.

Some of their duties include helping to select assembly programs, sponsoring the annual football train trip, promoting safety programs, and acting on other matters referred to them by the administration and students.

Usher Club

Members of the Usher Club have one main function, simply "ushering." They are usually found at all school functions either collecting tickets, handing out programs, or assisting people to find seats. Some odd jobs handled by the ushers are running a lost-and-found department in which small children seem to be the main item. However, scarves, gloves, and wallets also play an important part.

The only qualification necessary in order to become a member of the Usher Club is willingness to work.

National Honor Society

The Jane Addams Chapter of the National Honor Society holds initiation ceremonies twice a year, in the fall and in the spring, to induct outstanding students into its membership. With scholarship, character, leadership, and service as the measuring devices, the faculty selects these members. To encourage and promote these worthwhile qualities in the students at Benton Harbor High School is the purpose of this organization.

FIRST ROW: K. Ragen, M. Forestieri, J. Westin, J. Sax, E. Zindler. SECOND ROW: S. Byers, K. Leszczow, E. Magnuson, J. Briney, Mr. Miller.

The Tiger

The Tiger is in the process of remodeling. A change in size, and, to some extent, a change in content have resulted. With the inauguration of a journalism class, more changes will be made in make-up and in content. The advertising policy has met with wide merchant approval. This year *The Tiger* has emphasized display advertising, soliciting from only those merchants with merchandise of student interest.

Biology Club

Taking care of plants, dissecting animals, and collecting insects are a few of the things the students in Biology Club do in order to gain a further knowledge of science. The 30 members are chosen by their interest in science and their scholastic record. One of the main interests of the year is the annual camping trip. They earn money for the trip and equipment used in the laboratory by selling holly, having a rummage sale, and putting on a noon hour show.

The Atomites

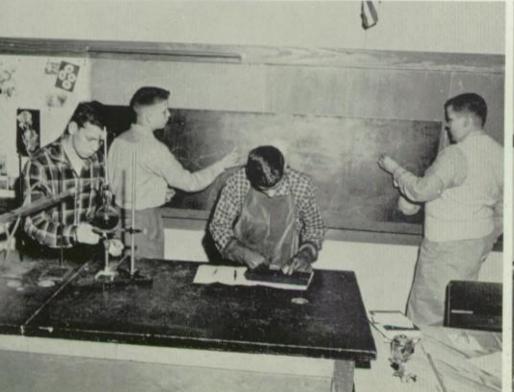

The Atomites is the newest addition to the family of clubs at Benton Harbor High School. The ceaseless motion of atoms, the Greek meaning "indivisible," as well as the dawn of the coming era of the atom, all conspired to suggest a name for the new science club.

The Atomite crest is handsomely significant, consisting of a black shield upon which is figured a golden lion supported by a silver retort and holding a silver atom in his paws. The black shield signifies the protection given by science in pushing back the darkness of ignorance, while the lion stands for living things, the retort for chemistry, and the atom for physics. Atomite activities embrace lectures, movies, experiments, field trips, and long-range projects in all three provinces of science.

Any underclassman with average or better grades, a healthy curiosity in the world about him, and an urge to learn through scientific experiments and projects is more than welcome to apply for membership as an Atomite. Mr. Pifer is the leader of the club.

French Club

Le Tricolore, or the French Club, derives its name from the French flag, the Tricolor.

The club offers an opportunity for any interested French students to increase their knowledge of French culture and civilization in a social atmosphere.

Programs may feature French music, art, history, food, fashions, etc. A French dinner and a trip to see a French movie in Chicago or South Bend are annual events.

Spanish Club

"Buenos Diás, Señorita" is the cheery call that many of our Spanish Club members use when greeting a fellow member. Spanish Club is very interested in the customs, songs, and foods of our Spanish-speaking friends. To illustrate these customs members give skits and show movies. Any interested student may be a member.

Future Teachers of America is organized to acquaint prospective teachers with the problems of becoming and being a teacher. The Benton Harbor High School Henry J. Pattengill Club of twenty-one members invites teachers to tell their experiences and problems, attends meetings of interest to future teachers, carries on projects to learn more about teaching, visits colleges that the members might attend.

Library Club

Through the Library Club the student librarians strive to give better service to the patrons. The club is made up of approximately 35 members called student librarians.

The club is active in the state organization of student librarians. Twice a year members of our club attend meetings of the state organization.

On February 14, the student assistants presented a radio show over station WHFB.

The Footlighters

The Footlighters Drama Club is comprised of approximately ninety-five members whose aim is to further their interest in and knowledge of drama by assisting with noon hour shows. Sponsored by the club this year were the noon-hour play "Wampum" and the Christmas Variety Show. Footlighters share many projects with Thespians. Among these are the annual sock hop and participation in Parent's Drama Night and the Western Michigan Conference Drama Day. Proceeds from the sock hop and the other projects are to be used to buy a tape recorder for use by the drama department.

FIRST ROW: S. Cohen, S. Black, E. Fisher, S. Schnieder, D. Minikel, M. Lape, Miss Meyn, SECOND ROW: C. Hampton, T. Glascock, R. Powers, L. Weygand, D. Minikel, H. Bull.

Thespians

The purpose of Thespian Club is "to create a spirit of active and intelligent interest in dramatics among boys and girls of our secondary schools." Members of the club must have earned 10 points by working with productions. This year the club's program included a trip to Chicago to see "No Time for Sergeants" and "Ray Rayner TV Show." They put on noon hour shows, a dance, a Parents' Drama Night, and attended the Regional Conference at Western Michigan College.

Boys' Rifle Club

Because of limited facilities the Boys' Rifle Club has divided itself into two sections. They meet on alternate Wednesdays. Mr. Thorp meets one section and Mr. Rock the other.

Each month, December through May, the club fires in the National Postal matches. From those matches we are rated as a club and as individuals with all the other clubs in the nation. We fire in the non-military division.

Our two sections are limited to twelve members each. In the spring we take four boys to the National matches where we fire in competition with the other clubs.

Girls Rifle Club

The Benton Harbor Junior Girls' Rifle Club fires every Tuesday evening at the Y.M.C.A. The "Y" has only three firing points therefore the club membership is limited to twelve girls.

In November, December, January and February the club fires in the National Postal matches. The targets are scored by officials of the National Rifle Association and the club is rated with all the clubs in the nation.

In the spring a team of four is selected to fire in the National matches. This year each member must fire 10 shots in each of the four positions: prone, standing, sitting, and kneeling.

Practical Nurses

A new addition has been made to the Future Nurses Club this year. It is the Practical Nursing group composed of junior and senior girls who are not eligible for becoming registered nurses, but who are interested in bedside work in the hospital. At their monthly meetings these girls hear lectures on the work of a practical nurse and the attitude they should have to accompany this work. Miss Rachel Christe, head of Mercy Hospital School of Nursing, is the sponsor of this group with the help of Mrs. Frances Schwale, head of the Practical Nursing division of the Benton Harbor and St. Joseph area.

Marching Band

The 1956 marching season was a particularly successful one for the Benton Harbor High School Marching Band. In addition to presenting half-time shows for the five home football games, the Band dazzled football fans at Muskegon and Niles.

Colorful formations and catchy tunes captured the attention of audiences throughout the football season. One especially memorable show was dedicated to teen-agers and their music; the show was brought to a rollicking climax by the playing of the popular "Hound Dog."

On October 10 on Filstrup Field the band, participating in the Southwestern Michigan Marching Festival along with other area bands, presented a typical half-time show and received a Division I rating from the judges.

The band's successes didn't just happen; plenty of skillful planning and hard work were behind each show. Just as the football coaches drill their players, Mr. Kuschel drills his bandsmen for many hours before each performance. The band began work before school started in the fall and practiced every day and every Thursday night during the football season.

Concert Band

The Symphony Band is one of the most outstanding features of Benton Harbor High School. To many individuals, it is the highlight of their years in high school.

To become affiliated with this organization, one must not only be a good musician, but he must also know and understand the skills and musical knowledge on which this group has built its reputation.

Each year the Symphony Band participates in various events throughout Southwestern Michigan, and in addition, furnishes music for many school and community events. In the spring of the year, the Symphony Band centers its attention on such events as the district contest, which this year was held on March 1st in Kalamazoo, Michigan. Many other activities which the band also included in its program for the concert season of 1957 are as follows:

Februar	y 28	Concert at Niles, Michigan
March	5	Annual Assembly Concert
March	27	Annual Anniversary Concert
April	27	State Contest at Ann Arbor, Michigan
June	3-7	Commencement activities

"The Second Symphony" by Borodin and "The North Sea Overture" by Hermann have been featured selections in the repertoire of the band this year.

Their annual concert provides us with much enjoyment and also proves that the aims of the organization, which are providing musical enjoyment and striving for perfection, have been once again accomplished for the year 1956-1957.

In conclusion, we the members of this organization, would like to state that it has indeed been an honor playing under the baton of Mr. Kuschel, a fine director in the eyes of all concerned.

Orchestra

The orchestra is one of the busiest and most versatile organizations in our high school. The members must be able to adapt their playing to many different styles of music which range from the gay, lilting melodies of a Broadway musical to a Beethoven symphony.

The orchestra performs many times during the school year. These performances include a Christmas program put on for the student body, the annual concert held in March, and the district band and orchestra contest. Besides this, a smaller theater orchestra is required to play for the senior class play, the all-school play, baccalaureate, class night, and to furnish an instrumental background for the operetta.

In addition to this, a string ensemble composed of two violins, a viola, cello, bass viol, and piano, play for many dinners and other social gatherings throughout the year.

In early February, members of the orchestra traveled to Kalamazoo to compete in the district solo and ensemble contest where many received high honors for their efforts.

"Symphonie Miniature," by Bakaleinikoff; "Three Brothers Overture," by Cimarosa; and "Sonata Da Chiesa," by Corelli, are the major works being performed by the orchestra this year.

Each year, the orchestra improves greatly in musical ability, and we are all sure that in a few years, under the capable direction of Mr. Etling, our orchestra will be known as one of the best in the state.

The Beginning Choir

This choir is the stepping stone into the advanced choir. In fact, those interested in membership in the advanced choir should consider at least one semester of beginning choir as preparation. There are approximately seventy-five students of all four grades in it. Boys, especially tenors, are in the minority. They could be an interesting and helpful addition. The choir is good training in mixed singing.

The past year's curriculum included participation in the musical, "Oklahoma," open house, the cantata, and commencement.

Advanced Choir

The advanced choir is the principal performing group of the vocal department representing the high school to the public. More advanced study of various styles and types of choral music is the work of this group.

The choir's two biggest projects of the year are the Christmas musicale and the operetta. This year's operetta was Rogers and Hammerstein's "Oklahoma." Charlotte Schuster and Nelson Carlock played the romantic Laury and Curly, while Virginia Govatas portrayed the "innocent" Ado Annie with Mike Yore as her ever-faithful beau. Audience, as well as cast, heartily enjoyed the terrific production.

Another activity of the choir is the Spring Music Festival where it is one of a number of choirs participating. The choir also sings at graduation and baccalaureate. A cantata, given in the spring, serves as a swan song for the senior members of the choir.

With fun and enjoyment the three Madrigal groups accomplish their purpose which is to learn ensemble singing of the fourteenth and fifteenth century music and to be a performing group.

The Advanced Madrigal group has performed at various things including the Christmas program, Rotary Club, and the Congregational Church Easter Sunrise service. The other two ensembles are newly formed this year and are stepping stones to Advanced Madrigal.

JOHN ROGERS All-State Tackle

SAM WATSON Honorable Mention Guard

This year our football coaching staff took on a new look. Mr. Sickles resigned as athletic director, Mr. Rogers stepped out of his role as head coach and into the one vacated by Mr. Sickles, with Mr. Hynd taking over as head coach, Mr. Johnson and Mr. Appledorn moved up as assistants.

With the coaching staff completed, attention was turned to the team. J. Barchett, O. Edwards, T. Garland, D. Kesler, D. Marler, J. Rogers, B. Rodgers, B. Swanson, and S. Watson were the returning lettermen who formed the nucleus of the team.

At the beginning of the season, Coach Hynd tried Sam Watson, who was second in speed probably only to Don Marler, at fullback, but found that his talents were more clearly needed in the line, so Big Sam was switched to

Go, man, go!

Ball, ball, who's got the ball!!!

TOM GARLAND Quarterback

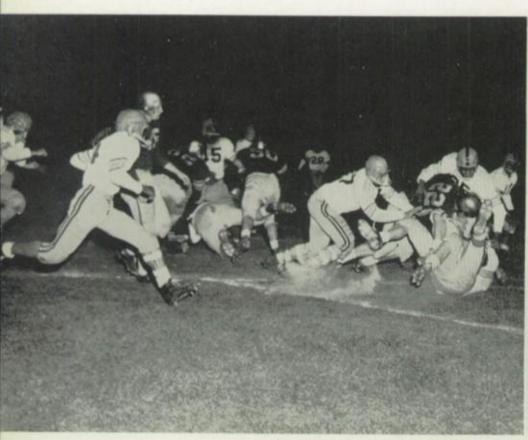

PHILLIP MURRAY Guard

JAMES GREEN End

guard. Another more permanent change switched Tom Garland from an end to a quarterback.

With these changes the Tigers made their 1956 debut in a 44 to 0 win over Chicago Wells. While running up the biggest score in 13 years and holding their opponents to a negligible total of yards gained, the Tigers demonstrated their offensive and defensive punches against a very weak and inexperienced team.

Stiffer competition proved fatal as Grand Haven outscored us 12 to 6 while Don Marler played one of his best games by gaining 138 of the 163 total yards gained. Again against tougher opposition, the Tigers lost two more to Morton Hammond, where we won statistically, yet lost on the score-boards, and Muskegon where the concensus of opinion was that the Tigers played

Get him, boys!

"Off your knees!!"

their best game. Two straight wins over Kalamazoo 19 to 6 and Niles 9 to 0 boosted the record to 3 and 3, and a loss to Muskegon Heights and a win over Holland gave us a 4 and 4 total for the season.

D. Marler, J. Rogers, and S. Watson all received All-State ratings, while J. Barchett received Mr. Hynd's appraisal as one of the best linebackers the Tigers have had in the last ten years. Those who received letters for football were: J. Barchett, A. Belski, J. Biggert, B. Bloom, D. Dunbar, O. Edwards, T. Garland, D. Gordon, J. Green, D. Kesler, D. Leonard, B. Manns, D. Marler, D. Cheerleaders

Have you ever wondered why we have cheerleaders? Well, their purpose is to promote school spirit, lead students in cheers at our games, and arrange pep meetings. In the spring they are chosen by home room representatives and faculty members. They are selected if they have superior cheerleading ability, if they are able to maintain a good scholastic standing, and if they have good personal traits. You will not only see them cheering at our home games, but at many of our out-of-town games also. Their goal is to give the teams all the support they possibly can whether the teams are victorious or not.

Basketball

With the return of seven lettermen and the addition of six newcomers to varsity rating, Coach Farnum and our Tigers came up with another successful year by winning twelve of their sixteen games. Nine of these were played in the new, spacious, and "splinterless" Colfax Coliseum, as the last game of the season with Muskegeon Heights, brought a capacity crowd and an all-time attendance record of 3,200.

With J. Barchett, J. Culverhouse, D. Dunbar, D. Marler, G. Peapples, C. Walker, and S. Watson being the seven returning lettermen and A. Belski, J. Biggert, R. Lange, B. Rodgers, B. Whitman, and M. Yarborough, as the "rookies," our Tigers made their debut by defeating the Morton Governors by a score of 70 to 58 with 6 ft. 5 in. Chet Walker taking scoring honors with 28 points, and Sam Watson coming up second with 21 points.

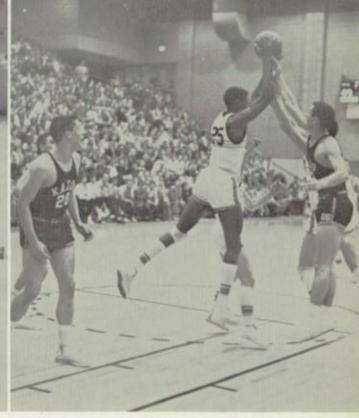

The second game proved easier as Benton Harbor "wrote the record book" by slaughtering Grand Haven by a score of 78 to 37—both totals being the respective high and low for the season.

Chester sinks a hook shot against Tuley of Chicago.

A loose ball belongs to anyone, which results in Dunbar's getting it.

Fast break against Kazoo, but it wasn't enough to win.

GEORGE PEAPPLES Guard

DUANE DUNBAR Guard

MICKY YARBROUGH Forward

After knocking off a not-too-strong Chicago Tuley team 74 to 37, our Tigers ran up against their rival from Kalamazoo, the Maroon Giants, and were beaten 65 to 44 as a full court press took us apart at the seams. Holland then tried to make it two in a row, but failed as Chet Walker led the way to an 83 to 57 exhibition in which he scored 40 points setting a new school record for individual points. Continuing on their winning ways, the Tigers trounced over the Big Reds from Muskegon 83 to 47 with individual honors, this time going to Sam Watson whose 27 points proved to be the highest total in his career.

Smarting from their first loss, Grand Haven came back for revenge and almost got it as Chet Walker came down with the mumps and was unable to play. Nevertheless, the score ended up in our favor, 60 to 58, as Don Marler, with only two seconds left to play, sank a long one to put us ahead. Jim Culverhouse did a good job of substituting for Walker and started in the next two games in his absence. Losing to South Bend Washington in a thrilling overtime 69 to 67 and beating Niles 58 to 42 brought us up against our toughest opposition of the season with Burton, McCarty, and company from Muskegon Heights scoring 67 to 44.

George gets a lay-up for two points.

Niles was behind all the way, as we see Micky clearing the boards.

Two points we didn't get.

After downing Holland 61 to 33 our Tigers found themselves in "Kazoo-Town," and under the brilliant floor-leadership of George Peapples broke the "Giant Press" and went on to win 57 to 48 as individual scores were low and a well-rounded team effort made up the difference.

Beating Muskegon 66 to 45, South Bend St. Joseph (a highly regarded Indiana team) 70 to 55, and Niles 74 to 43, we again found ourselves face to face with the "terrors of the north," Muskegon Heights. Unfortunately, history repeated itself and Benton Harbor found itself on the short end of a 63 to 49 score after leading at half-time by one point.

As no news of the tournaments could be received before the Greybric went to press, the biggest news this year seemed to be Chet Walker who broke the individual record with 40 points, broke the average points per game record with a 22.2 average, and unofficially set the accuracy record of about .473—47.3% of shots taken were made.

Graduating seniors are J. Barchett, J. Culverhouse, D. Marler, B. Rodgers, and S. Watson.

Cross Country

One of the least publicized sports in high school is cross country. This year as in the past two years we had an almost perfect season. We lost seven out of eight meets. The harrier's only victim was Holland.

Since cross country is not very well known, Coach Farnum is forced to use many recruiting methods. The most popular of these is the fact that we use the Berrien Hills Country Club for a course. Mr. Farnum claims it is the best course in Michigan. The scoring system in cross country is similar to that of golf in that the team with the least amount of points at the end of the meet wins. The class of '57 wishes Mr. Farnum and his future teams more success than they had this year.

Bill Dean

In Memoriam

The members of the class of 1957 are indeed fortunate to have had Bill Dean among them as a friend and classmate.

Bill, who was an outstandingly intelligent member of our class, died of polio on October 8, 1956. His friendly, lopsided grin and willingness to help others will always be remembered by those who knew him.

The reaching of the senior year is the climap of your high school career. as you look back over the last four years, each year has a meaning and brings back certain memories. With these things in mind it is only fitting that the theme of this Greybric should be time." In keeping with this theme each class has been represented by a season.

the most memorable part of the senior year is spring. This brings the occasion of graduation into everyone's thoughts.

For freshmen summer is a time of great anticipation and expectation. They are ready for high school.

By the sophomore year you began to really belong all the school

activities, including the autumn-football games, take on greater meaning.

Juniors are upper classmen, however they are still beneath seniors. This oft times leads to freezing looks if the junior does not toe the line. Winter, we thought, would give some consolation to our most exteemed juniors.

Will

We, the Class of 1957, of Benton Harbor High School in the city of Benton Harbor, County of Berrien, State of Michigan, United States of America, being of sound mind and body at this writing, and realizing that our days at Benton Harbor High are rapidly coming to an end, do hereby make, publish, and declare this last will and testament, hereby revoking all former wills and testaments made by us in the past.

Being an outstanding class in all respects, we would like to remind the Juniors that it will be utterly impossible to duplicate any records we have achieved, but as Seniors they should not become discouraged. To the student body, as a whole, we leave our many accomplishments in the fields of athletics, music, and drama.

The Senior members of the Letterman's Club leave Mr. Appledorn to the 1958 Big Sisters.

The Senior members of National Honor Society leave their ability to "brown-nose" the teachers to the Junior members of the said society.

Gwen Rahn wills her "cast" to next year's Senior play.

To the office helpers we leave all our unexcused admits, in hopes that they will be reissued.

All our gratitude personified goes to the faculty for their tireless hours spent trying to induce us to achieve higher goals in life.

Our many thanks and gratitude are left to our worthy advisor, Mr. Holt, for his inspiring leadership and energetic efforts in guiding us through all our trials and tribulations during the past four years.

This year's undernourished Seniors will to the hungry Juniors the cafeteria we did not get in hopes that they will receive more benefit from it than we did.

The Class of 1957 leaves John Rogers to his father as a social problem.

Dave Gordon leaves his elevated shoes to Chester Walker so that he will be better able to play basketball.

Wally Preston leaves his ability to make Hi-Y speeches to Dick Small.

Jeanne Govatos bequeaths her soft round pony tail to "Bunny" Ogden.

To Douglas Landis and Mike Yore, Tom Larson leaves his ability to "smell" trouble.

Don Marler wills his position on the football team to Myron Hamilton and Alvin Filstrup because it will take both of them to make halfback.

The book "Multiplication Made Easy" goes to George Kelso from the Senior cheerleaders.

Nancy Creed leaves her Ford to Judy Hashman to use the parts to make a "hot rod."

To Jane Hadley, Charlotte Schuster leaves her leading man, Nelson Carlock, in hopes that she will play opposite him next year.

Joy and Jolita Whitfield leave their ability to get along to Nancy and Linda McGinley.

The Senior Class leaves all the "Tweedy" cartoons to Mr. Curnow.

Jerry Barchett leaves his 2-point average to Tony Belski in hopes that he will be able to receive it.

To DeAnn Doebeli, Judy Blake wills her short hair and bleach solution.

We, the Class of 1957, do hereby put our stamp on this letter which will be mailed June fifth in the year of nineteen hundred and fifty-seven.

Class Prophecy

The following articles appeared in the June 5, 1977, edition of the News-Palladium (owned by Marvin Teske, published by Vernon Baker, and sold by newsboy Mike Pink):

CABANA CLUB OPENING "BANG-UP" AFFAIR

by Jeri Briney

Just as Benton Harbor Mayor Larry Wadley (assisted by his secretary, Kathryn Christ) was about to cut the ribbon officially opening the magnificent new Cabana Club owned by Jerry Lutz, janitor David Handy and janitress Wanda Heier staged a daring hold-up. By filling their scrub buckets with soap flakes, they succeeded in scooping up nearly \$1,000,000 behind a screen of bubbles. Unfortunately for the thieves, four alert policemen, Gus Hinkleman, John Kosick, David Longacre, and Ron Taylor, apprehended them at the door.

STAR-STUDDED OPENING COLOSSAL SUCCESS

by Jo Ann Marutz

The opening of Jerry Lutz's fabulous Cabana Club found many prominent personages in attendance. Some of those present were: Tom Bloom, notorious novelist (his newest book, "War Cry," has been banned in 48 states) with Carol Anderson, leader of the famed all-girl band (whose theme song was written by the talented composer, Norma Ortwig); Phil Murray, famed for his 60-year muscle-building plan, with Maria Contreras, exotic toreador; Ron Ravitch, current teen-age film idol, squiring Sue Black (who launched her film-land career in the sensational movie, "Doll Baby"); and Helmut Kolig, Austrian ambassador to the United States, escorting Joan Gregory, optical sign painter. Also attending the gala event were Jim Culverhouse, suspender tycoon, and his manager, Sandy Priebe; Dale Kesler, prominent bird-watcher, and Carolyn Mandarino, renowned adventurer who recently returned from a safari into the interior regions of Sodus; and the wealthy, eligible bachelor, Lynn Stone (owner of the Stone Quarry, from which 3 billion dollars worth of rock is removed daily) and Marcia Lape, who discovered Element Q, newest in the atomic field, in the rock in Stone's Quarry. Attending the affair "en masse" were athletes Jim Green and Bill Rodgers, boxers who fought to a 27-round draw for the World Heavyweight crown; referee for the bout, Harry Bischoff; Arleen Patterson, Olympic skating star; and Bob Gideon, track star who broke the record for the 4-minute mile by doing it in 11 days, 12 hours, 26 minutes, and 15 seconds. Also on hand for the opening was Mary Gale, who arrived with seven of her thirteen children. Mary is currently living in the "Windy City" rearing her little "Gales."

The opening of the club itself was magnificent. The beautiful decorating was done by the talented Roselyn Brant. Entertainment was provided by the Leroy Henry combo, composed of Theron Caldwell, John Haas, and Jerry Lockman, plus singer Lodie Freeman. The noted dance team of Mary Ann Palmert and David Riff also entertained.

Employed at the club are several members of the '57 graduating class. Among them were: Lindsey Wilhite, Jim Abshier, Larry Easton, Jim Brown, waiters; Barry Baker, bouncer; Bob Bloom, chef; Shirley Friske, cigarette girl; Wyntie Arford, club photographer; Jody Payne, flower saleswoman; and Larry Lutz, Donna Asbury, and Judy Dukesherer, bartenders.

BULLETIN! TRIAL OF JANITORS OPENS

The courtroom of Judge Chris Wolske was jammed today, as participants and spectators alike thronged into the court house. Sheriff Elliott Garb remarked that he had never seen so many people at a trial. Attorney for the defense, Don Parks, and prosecuting attorney, Frank Eagler, each predict an early victory. Serving on the jury are: Joyce Abrams, retired Naval admiral; Pat DePalma, veterinarian; Jerry Wert, earmuff manufacturer; Betty Floyd, head of a nursing school; Bob Rice, who puts the holes in (takes them out of?) doughnuts; Bill Marquart, math professor at PU; Ken Krauel, who married the popular "Bubbles LaRue" (formerly Sue Hervig); Vernell Duckett, head of an orphanage; Sharon Kruggel, who puts teeth in combs; Jo Ann Thornton, a chimney-sweep; Sharon Crossman, inventor of vitamins Z12, Z93, and Z417; and Dick Taylor, fish net mender. Clerk Annette Marceau swore in the jury, and the trial began. Barbara Schott, bus driver, was the only witness to testify this morning. Terry Mosher, prison warden, and his two most trusted guards, Ron Wheeler and John Keana, were present throughout the trial, so it looks as though an early ending is in sight.

Meanwhile, in the gallery, several notable faces were seen. Among them were: Andrea Gorove and Sharon Cohen, who just returned from an expedition to the South Pole; Cynthia Williams, famed portrait painter; Maria Dubowic, acclaimed the world over for her operatic voice; Judy Becker, race track owner, and Sandy Prillwitz, horse trainer; Ronald Bublick, who makes button-holes for ivy-league shirts; Tom Garland, president of the Baby-Sitters Union; Mary Morgan, who discovered "Morgan's Modern Method for Speed-Reading" taught in all schools today; Ron Larson, a stamp licker at the post office; Alan Workinger, a skin diver; Ellen Gustafson, concert pianist; DeWayne Lanham, Ballet Master, and part of his troupe: Jane Heiniche, Carol Schuhknecht, and Suzanne Masters; Michael Jeffrey, who puts the rings in the telephone; Liane Buck and Judy Johnson, partners in the multi-billion-dollar "Elvis" button business; Susan Johnson, who teaches underwater basket-weaving; and Sharon Fletcher, who trains boxing kangaroos.

Unable to attend the trial, but sending word that he hoped his old friends were doing well, was billionaire Rich Gavrilovich.

Thus ended the first day of the trial.

You can dream— can't you?

In our rapidly changing world of today, one of the greatest needs of our society is dreamers — people with imagination and the creative ability to bring forth with sweeping strides the advances possible through the sciences and channels of research.

But, dreaming alone is not enough. You must also possess the basic technical knowledge needed to transform your dreams into real and worthwhile things for better living. Keep on dreaming, but if you want your dreams to come true, you must also keep on learning.

If you can dream and transform your dreams into worthwhile reality

— the world and you alike will benefit.

Members of the Senior Graduating Class CONGRATULATIONS

We repeat the article which was printed in the 1956 Greybric for the reasons that the demand for personnel considering careers in technical and engineering courses is greater today than it was one year ago.

The Saranac Machine Company was founded in the Twin Cities in 1899. Its personnel designs and builds Conventional and Special machinery for the manufacture of shipping containers and packages, used for the shipment of food, industrial and hardware products, home appliances and building materials. The containers are made from such materials as veneer, lumber, plywood, corrugated and solid fibre-board and fabrics, automatically fastened together by means of adhesives, wire staples, wire and metal fastenings. The automation principle is used in the design and operation of these machines.

Saranac also designs and builds steel-strapping and wiretying machinery for bulk packaging of such products as newspapers, magazines, shingles, lumber, steel and metal parts and quality precision machine tools.

For young men and women graduates from Senior High Schools, and those who are or will be enrolled in the Community College, Saranac offers co-operative employment and training with your curriculum for those who are considering careers in Engineering, Methods, Time Study, Accounting and Supervisory positions.

May the future be most successful.

Respectfully yours,
